Subject: Trade Link 241 Van Support
Attention: Dealer Principal & Parts Managers

Dear Trade Link Partner

Please find below the Trade Link Van support package for 2024.

1. Transporter support €3000 ex VAT
2. Crafter support €3000 ex VAT
3. ID Buzz 9% Discount, ex VAT & VRT (discount value varies with spec, TradeLink & CV total support **tlc** upon receipt of Tradelink support document)

To apply for van support, you must fill out the support application form which will be supplied to you upon request, upon return to us, this must be accompanied with a copy of the VRT certificate.

Trade Link terms and conditions apply; these vans are only to be used as Trade Link parts delivery vehicles. The vans must be ordered in white and used for a minimum of 12 months and cannot be sold within the calendar year unless agreed with the Trade Link team.

The vans must have the correct livery applied in accordance with Trade Link Guidelines and should be kept clean and in good condition in order to present the correct image to our current and prospective trade customers.

For Volkswagen Commercial Vehicles sales franchise dealers the above supports exclude (not on top) any other bonuses/supports which may be offered at time of registration.
